DivanoLounge®

Enjoy the art of Lounge

Divano Lounge is a premium outdoor furniture manufacturer with his own brand that shows unique style and quality. Creativity is what drives us at Divano Lounge towards the idea to reinventing the garden furniture, as we know it. The results of that process are unique products and outdoor furniture that seem to be a modern form of art.

The line between our living rooms and our garden is disappearing, styles traditionally associated with indoor environments are now finding their way on to the gardens and patios. We at Divano Lounge are taking the dream of indoor-outdoor living rooms even further with new material innovations and quality levels.

COLLECTION

Divano Lounge's outdoor furniture is upholstered with fabric or leather that is suitable for outdoor usage throughout the whole year. Our furniture is not designed to be waterproof, but it lets water through as quickly as possible. By using breathable materials, we ensure a constant air circulation inside our furniture. This makes it possible that after heavy rain the furniture can dry completely after 30 minutes.

Divano Lounge product information

Eyes on the future

Divano Lounge® is for many years a specialist in upholstered outdoor furniture. Working with the best material in combination with high skilled craftsmanship makes Divano Lounge world wide leader in full upholstered outdoor furniture.

Upholstered Materials

Seamless transition between indoor and outdoor spaces

Our Upholstery Fabrics collection is inspired by the founding values of the Sunbrella brand: design and performance. It takes an entire team to inspire, design and produce textiles that complement any space and last for years. Sunbrella Upholstery fabrics are as versatile indoors as out. Our textiles are woven exclusively with solution-dyed acrylic fibers to guarantee UV color-fastness, and finished with a protective anti-stain coating. Attractive, easy to wash, and durable, our collection pushes the boundaries of design. Sunbrella quality is unparalleled. Sunbrella fabrics are made to withstand everyday life, yet woven to look and feel beautiful. Sunbrella don't believe in choosing between function and aesthetics, and that's what sets them apart.

Ultra durable through and through

Sunbrella fibers are steeped in top quality dyes during the actual manufacturing process, when the acrylic is still liquid. As a result, Sunbrella yarn is colored all the way to the core so its original vibrancy lasts on and on.

Guaranteed to last

All Sunbrella fabrics are engineered to resist mold and mildew, and come with a 5-year warranty for protection against fading and deterioration.

Incredibly easy to maintain

The finish treatment applied to all Sunbrella fabrics repels liquids and dirt, making them extremely easy to keep clean year after year.

The Divano five

The Divano five are created to let the world know the Divano Lounge story. The 5 unique product features of Divano Lounge are each connected with their own strong visual symbol. With these unique selling points Divano Lounge shows the world, which benefits Divano Lounge furniture has compared to any other furniture. We at Divano Lounge keep our eyes on the future to create the new standard in the furniture market.

5 year guarantee on any stains and color fading

With an inner structure of an aluminum frame, which hold our long memory open foam and upholstered with solution dyed acrylic fabric, we have created a furniture piece that consists of very high quality materials together

combined as a design product. For that reason we guarantee a minimum lifetime of 5-years on our products. And make sure Divano lounge furniture can be enjoyed for the years to come.

breathable & quick dry. sitable dry within one hour

A Divano Lounge furniture piece is designed to be breathable in every way. We don't believe in 100% waterproof furniture, and we want our furniture to be enjoyed for at least 5-years. So we design our products to let in water and circulate air as much as possible. With our breathable structure we create a continuous airflow inside the furniture which ensures that our products are sitable dry within one hour after they get wet.

100% green and 3 recyclable furniture

Divano Lounge furniture is a nature friendly product. As the frame isn't made out of wood like normal furniture and with this we also show we are paying more attention to the world around us. With the usage of our main high quality materials (Aluminum, open structure foam and solution dyed acrylic) we make sure we using materials which all can be 100% recycled. So even after the minimum usage of 5-years, Divano Lounge makes sure

our materials can be used again for a better environment for our future. We are Greenguard® certified and have the Oeko-Tex® label on our products.

stain resistant to any kind of stains. Like red wine, coffee, chocolate etc.

Divano Lounge upholsters their products with a Solution dyed acrylic fabric. Where other furniture is upholstered with yarn dyed fabric. This gives us the advantage of a long life product. The difference between these two fabrics is easy to understand when

comparing the solution dyed acrylic with a carrot and the yarn dyed fabric with a radish. Where the carrot is orange from outside and inside the radish is only red outside and white inside. So after usage the yarn dyed fabric (radish) will lose his color where solution dyed fabric (carrot) keeps his color for at least 5-years. Our Solution dyed acrylic fabric are all treated with a dirt repellent layer to combine the highest level of performance in our daily lives. Because of this unique structure Divano Lounge give a 5-years quarantine on any stain! Our fabric is the only fabric in the world that can be cleaned with Bleach mainly used for cleaning stubborn stains like olive oil, chocolate, lipstick etc. We suggest for specific stubborn stains to check www.sunbrella.com to find the right cleaning way for your stain.

UV/fade resistant for more than 5 years

Our fabrics are woven exclusively with solution dyed acrylic fibers to guarantee UV color-fastness, and finished with a protective anti-stain coating. Attractive, easy to wash, and durable, our textiles push the boundaries of design.

All fabrics are engineered to resist mold and mildew, and come with a 5-year warranty.

The finish treatment applied to all our fabrics repels liquids and dirt's, making them extremely easy to keep clean year after many years.

Divano Outdoor leather

Divano leather is a strong, durable artificial leather that is used in all outdoor designs of Divano Lounge. Divano leather is tightly woven and designed to repel stains and discoloration, making it a perfect fabric choice for upholstery that will constantly be used outdoor.

What features does Divano outdoor leather has?

Features of Divano outdoor leather:

1. Synthetic leather performance is better than the real leather and the surface effect can be achieved in line with the real leather.
2. Tear resistance, abrasion resistance, tensile strength and so on are all beyond real leather, and cold-resistant, acid proof, alkali-resisting, non-fading.
3. Light weight, soft, good breathability, smooth and good feeling, and tidy and free from wear facets.
4. Antibacterial, anti-mildew, mothproof, without any harmful substances, very environmental, is the Green Products in the 21st century.

Maintenance & Precautions

1. Daily care only needs to wipe the surface leather once a week with a twisted wet towel to remove surface dirt and static electricity.
2. If the environment is seriously polluted, the degree of dirt on the surface can be seen and the wiping frequency can be increased.
3. If you encounter serious stains, please use clean cloth + detergent to clean directly, which will not cause damage to the surface.
4. It is recommended that Timwell special cleaning and maintenance agent be used every 2 months to maintain the surface.
5. If the surface encounters heavy oil stains, please clean it up in 2 hours in time, otherwise there will be the risk of surface oil rising.
6. Avoid the risk of surface damage caused by sharp objects or placing them on leather surfaces.
7. Avoid the risk of surface corrosion if the substance $\text{PH} < 5$ or $\text{PH} > 11$ contacts the surface directly.
8. Avoid direct contact with substances above 190 C, and there is a risk of surface scald.
9. To avoid the risk of surface freezing cracking of Timwell Silica Gel Leather when it is placed below - 60 C.

Quick Dry Foam

Divano Lounge foam is reticulated polyurethane foam with extra open cells which permits maximum water drainage and air circulation.

Open cell foam also have the added benefit of an antimicrobial treatment to help prevent the buildup of bacteria which can cause nasty odours. Reticulated filter foam is ideal for use in outdoor furniture and marine environments where moisture can be a problem with conventional foam.

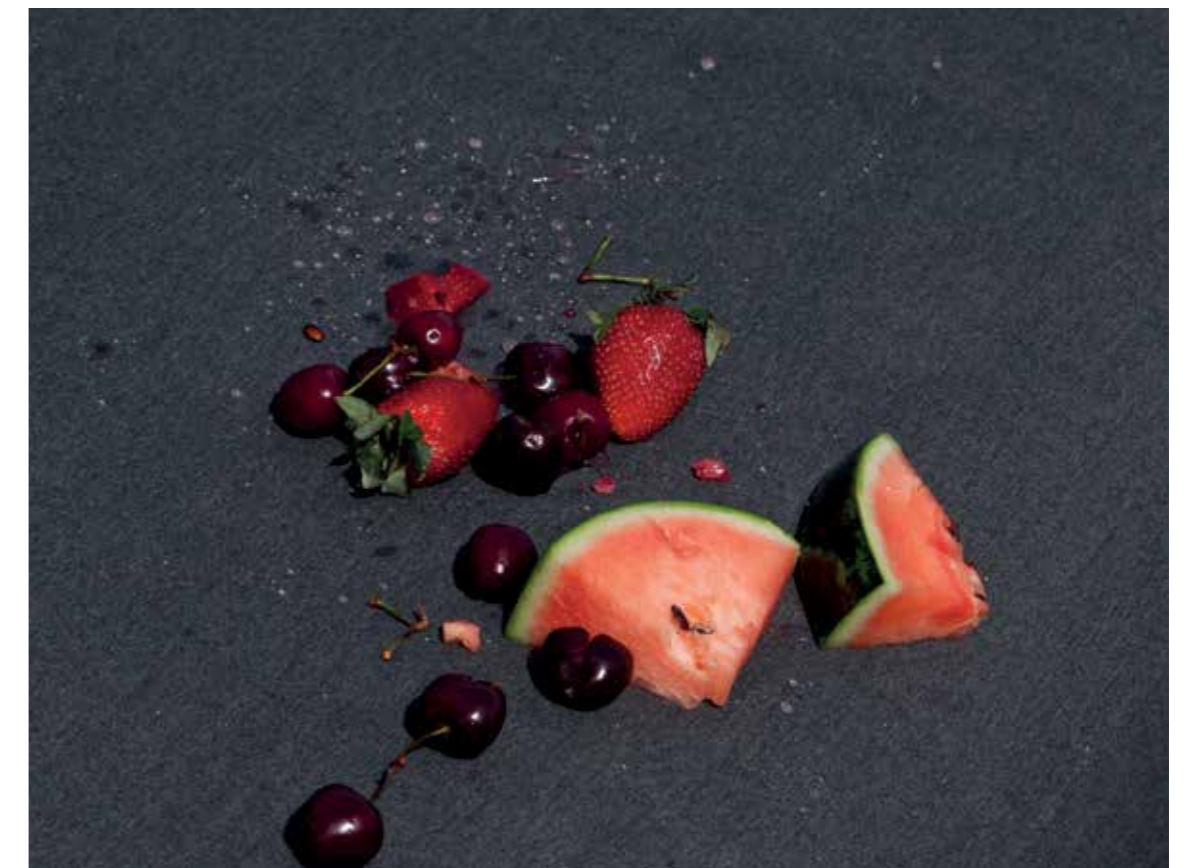

Coating

AkzoNobel Interpon

is the world leader in powder coatings. Divano Lounge offer in cooperation with Interpon a effective coatings solutions for our furniture. This range ensures color stability, durability and toughness in all weathers. Available in 4 color options;

Interpon.
powder coatings

EVERY COLOR IS GREEN

Hidden Adjustable leg

As Outdoor areas most of the time are not flat, Divano Lounge designed an adjustable feet that is hidden. Perfect to make the furniture stable in any kind of environment.

Modular connection system

To Connect modular sets in a easy but perfectly way Divano Lounge designed a connection system that can be hidden (when use stand alone) or workable to connect Divano Lounge modules together.

Covers

Divano Lounge furniture is designed for 365 days outdoor use in any kind of weather circumstances. But For those who want to extend life time and looking for easy protection, Divano Lounge offers a 100% waterproof cover. Custom made covers will be given on request.

Chosen by the Outdoor Furniture Leaders

Keep your Fabrics looking new longer

DivanoLounge®

Our Sunbrella Fabrics are thoroughly impregnated which makes them water&stain resistant. But just like with suede shoes, you can keep your fabrics looking like new for longer when you regularly give them a water repellent treatment. That is why we recommend Golden Care Fabric Protector. Also available with your own brand identity on the label (720 bottles or more).

- Helps to prevent stains.
- Maintains the new look for a long time.
- Makes fabrics, textiles & upholstery repellent to dirt, water and moisture.

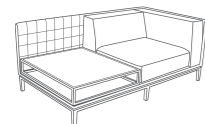

Too late? Already dirty? Then use Golden Care Fabric Cleaner

Removes dirt and restores the new look of fabrics, textile and upholstery.
For cushions, seatings and parasols.
