DivanoLounge® | ENJOY THE ART OF LOUNGE

Company Introduction

Divano Lounge is a specialized Chinese factory in fully upholstered outdoor furniture.

The company has over 8 years experience in manufacturing high quality garden furniture and we have customers in 50 different countries all over the world. The mix of Dutch designers and Chinese craftmanship in combination with European and American technology, creates an unique & innovative product.

Innovation, passion, comfort and beauty form the core of our product range, and are present throughout every part of our design and manufacturing process.

Concept

Our every day lifestyle is changing and our garden becomes a beautiful extension of our home. The consumer has realized that they can custom build their backyard dreams and are enjoying creating their visions. With beautiful designs and high quality durable materials, Divano Lounge helps to creates the consumer to build their dreams. We believe your surroundings should express your personality, generating a balance between you and your environment.

Divano Lounge's outdoor furniture is upholstered with fabric or leather that is suitable for outdoor usage throuhout the whole year. Our furniture is not designed to be waterproof, but it let's water through as quickly as possible. By using breathable materials, we ensure a constant air circulation inside our furniture. This makes it possible that after heavily rain the furniture can dry completely after 30 minutes.

Divano Lounge product information

Eyes on the future

Divano Lounge® is for many years a specialist in upholstered outdoor furniture. Working with the best material in combination with high skilled craftsmanship makes Divano Lounge world wide leader in fully upholstered outdoor furnitue.

Upholstered Materials

Sunbrella in en outside fabrics

What are Sunbrella fabrics?

Divano Lounge works with Sunbrella® fibres which are steeped in top quality dyes during the actual manufacturing process, when the acrylic is still liquid. As a result, the fabric's yarn is colored all the way to the core so its original vibrancy lasts on and on.There's absolutely no comparison to ordinary procedures whereby the yarn or fabric is simply dipped in dye which therefore only penetrates the outer layers.

All the benefits of Sunbrella fabrics:

UV Resistant
Water & Stain resistant
Breathable
Mold resistant
Easy Care

Sunbrella fabrics can be easily cleaned with a soft-bristle brush and soapy water (add 50 ml of bleach per liter of water in case of tough or stubborn stains). Rinse with clear water and let air dry.

Divano Outdoor microfiber leather

Divano leather is a strong, durable artificial leather that is used in all outdoor designs of Divano Lounge. Divano leather is tightly woven and designed to repel stains and discoloration, making it a perfect fabric choice for upholstery that will constantly be used outdoor.

What is microfiber leather?

Microfiber leather is the highest grade synthetic leather, a high-tech simulation of high-end leather products. Microfiber Leather is simulated the structure of natural leather, using sea- island superfine micro fiber (ultra-fine fiber bundle), and high-grade polyurethane resins as raw materials, using needed punched nonwoven technology of 3D structure, has a lot of similar characters as natural leather, however better physical & chemical performance, has been widely popular around the world. Because of super performance, microfiber leather has been the optimal alternative of real leather.

What features does Divano outdoor microfiber leather has?

Features of Divano outdoor microfiber leather:

1. Microfiber synthetic leather performance is better than the real leather and the surface effect can be achieved in line with the real leather.

2. Tear resistance, abrasion resistance, tensile strength and so on are all beyond real leather, and cold-resistant, acid proof, alkali-resisting, non-fading.

3. Light weight, soft, good breathability, smooth and good feeling, and tidy and free from wear facets.

4. Antibacterial, anti-mildew, mothproof, without any harmful substances, very environmental, is the Green Products in the 21st century.

DivanoLounge®

Quick Dry Foam

Divano Lounge foam is reticulated polyurethane foam with extra open cells which permits maximum water drainage and air circulation.
Open cell foam also have the added benefit of an antimicrobial treatment to help prevent the buildup of bacteria which can cause nasty odours. Reticulated filter foam is ideal for use in outdoor furniture and marine environments where moisture can be a problem with conventional foam.

Coating

AkzoNobel Interpon
is the world leader in powder coatings. Divano Lounge offers in cooperation with Interpon a effective coatings solution for our furniture. This range ensures color stability, durability and toughness in all weathers. Available in 4 color options;
