Divano Lounge product information

Eyes on the future

Divano Lounge® is for many years a specialist in upholstered outdoor furniture. Working with the best material in combination with high skilled craftsmanship makes Divano Lounge world wide leader in fully upholstered outdoor furniture.

Upholstered Materials

Sunbrella in en outside fabrics

What are Sunbrella fabrics?

Divano Lounge works with Sunbrella® fibres which are steeped in top quality dyes during the actual manufacturing process, when the acrylic is still liquid. As a result, the fabric's yarn is colored all the way to the core so its original vibrancy lasts on and on.

There's absolutely no comparison to ordinary procedures whereby the yarn or fabric is simply dipped in dye which therefore only penetrates the outer layers.

All the benefits of Sunbrella fabrics:

- UV Resistant
- Water & Stain resistant
- Breathable
- Mold resistant
- Easy Care

Sunbrella fabrics can be easily cleaned with a soft-bristle brush and soapy water (add 50 ml of bleach per liter of water in case of tough or stubborn stains). Rinse with clear water and let air dry.

Color options:

Divano Outdoor microfiber leather

Divano leather is a strong, durable artificial leather that is used in all outdoor designs of Divano Lounge. Divano leather is tightly woven and designed to repel stains and discoloration, making it a perfect fabric choice for upholstery that will constantly be used outdoor.

What is microfiber leather?

Microfiber leather is the highest grade synthetic leather, a high-tech simulation of high-end leather products. Microfiber Leather is simulated the structure of natural leather, using sea- island superfine micro fiber (ultra-fine fiber bundle), and high-grade polyurethane resins as raw materials, using needed punched nonwoven technology of 3D structure, has a lot of similar characters as natural leather, however better physical & chemical performance, has been widely popular around the world. Because of super performance, microfiber leather has been the optimal alternative of real leather.

What features does Divano outdoor microfiber leather has?

Features of Divano outdoor microfiber leather:

1. Microfiber synthetic leather performance is better than the real leather and the surface effect can be achieved in line with the real leather.
2. Tear resistance, abrasion resistance, tensile strength and so on are all beyond real leather, and cold-resistant, acid proof, alkali-resisting, non-fading.
3. Light weight, soft, good breathability, smooth and good feeling, and tidy and free from wear facets.
4. Antibacterial, anti-mildew, mothproof, without any harmful substances, very environmental, is the Green Products in the 21st century.

Color options:

Quick Dry Foam

Divano Lounge foam is reticulated polyurethane foam with extra open cells which permits maximum water drainage and air circulation. Open cell foam also have the added benefit of an antimicrobial treatment to help prevent the buildup of bacteria which can cause nasty odours. Reticulated filter foam is ideal for use in outdoor furniture and marine environments where moisture can be a problem with conventional foam.

Leg options

Teak wood

Divano Lounge carefully selected the best quality of Burmese teak wood. The most salient characteristic of Teak is its resistance to all kinds of weather and this suits perfectly with our philosophy. To ensure that our products meet our standards for quality and sustainability, Divano Lounge has a wide ranging corporate environmental program that guides every aspect of our product development and manufacturing operations.

Coating

AkzoNobel Interpon

is the world leader in powder coatings. Divano Lounge offers in cooperation with Interpon a effective coatings solution for our furniture. This range ensures color stability, durability and toughness in all weathers. Available in 4 color options;

Hidden Adjustable leg

As Outdoor areas are most of the time not flat, Divano Lounge designed an adjustable feet that is hidden. Perfect to make the furniture steady in any kind of environment.

Modular connection system

To Connect modular sets in an easy but perfectly way Divano Lounge designed a connection system that can be hidden (when use stand alone) or workable to connect Divano Lounge modules together.

Covers

Divano Lounge furniture is designed for 365 days outdoor use in any kind of weather circumstances. But For those who want to extend life time and looking for easy protection, Divano Lounge offers a 100% waterproof cover. Custom made covers will be given on request.

Cleaners

Tex'Aktiv Cleaner

Fabric cleaner

Deep-acting powerful stain remover

Eliminates stains and odours on our fabrics and cushions.

TEX' AKTIV CLEAN

eliminates stains and odours on deck chairs, cushions and sun protection such as umbrellas, shade sails,awnings,and so forth.

EASY TO USE

→ See label for details

TEX'AKTIV CLEAN

reduces the beading effect(repellency).After each cleaning,it is therefore necessary to apply TEX'AKTIV GUARD in order to renew the fabrics' waterproofing and to protect them from dirt.

Tex'Aktiv Guard

Fabric waterproofing agent

Stain protection
Beading effect

Protects fabrics against stains and dirt build-up.

TEX' AKTIV GUARD

Protects fabrics against stains and dirt build-up.This product is ideal for use on deck chairs,cushions and sun protection devices.it prevents water and grease from penetrating into the fabric. The colourless beading effect gives all your outdoor fabrics a fresh boost!

EASY TO USE
