# DIVANO BASICS

---

The Divano five are created to let the world know the Divano Lounge story. The 5 unique product features of Divano Lounge are each connected with their own strong visual symbol. With these unique selling points Divano Lounge shows the world, which benefits Divano Lounge furniture has compared to any other furniture. We at Divano Lounge keep our eyes on the future to create the new standard in the furniture market.

Two years

Created with an inner structure of an aluminum frame which hold our long memory open foam and upholstered with solution dyed acrylic fabric.

Quick dry

We design our products to let in water and circulate air as much as possible. With our breathable structure we create a continuous airflow inside the furniture which ensures that our products are sittable dry within one hour after they get wet.

Environment friendly

Divano Lounge furniture is a nature friendly product. We make sure we using materials which all can be 100% recycled. We are Greenguard © certified and have the Oeko-Tex© label on our products.

Easy care

Divano Lounge upholsters their products with a Solution dyed acrylic fabric. Because of this unique structure Divano Lounge give a 2-years quarantine on any stain!

UV/fade resistant

Our fabrics are woven exclusively with solution dyed acrylic fibers to guarantee UV colour-fastness and finished with a protective anti-stain coating. Attractive, easy to wash, and durable our textiles push the boundaries of design.
